Adding commitments to your application

We encourage all members of Pact for Skills to define commitments

- PfS commitment categories and examples can be found [here](#)

Do you want to:

- Define concrete commitment(s) aiming to upskill or reskill people of working age (*Note: If you have more than 5 actions under your commitment, please contact us at PactforSkillsMembers@ecorys.com*)
- Endorse the commitments of the skills partnership I'm member of (*Note: You can additionally define your own commitments below*)
- Wait to define any concrete action to implement and learn from the experience of other Pact members before defining my commitments (*Note: if ticking this option, you will be contacted in due time to assist you in defining your commitment*)

Example list of actions:

Main category of commitment	Type of action	Description of action	Target group of action	KPI
Building strong skills partnerships	Developing or joining a stakeholder network	Large employer developing a network for SMEs in tourism	SMEs, start-ups, individual entrepreneurs	Number of stakeholders joining the partnership/network
Promoting a culture of lifelong learning for all	Targeted upskilling and reskilling activities	Training provider offering short-term trainings for unemployed, young graduates, NEET, etc.	Young professionals	Number of people from target group(s) taking part in the activity
Monitoring skill supply/demand and anticipating skills needs	Identifying skills and training needs	Representative of an industrial cluster identifies future skills needs for the construction sector	Trade unions	Implemented/Not implemented
Working against discrimination and for gender equality and equal opportunities	Strengthening gender equality	Training provider offering mentoring to empower women to pursue careers in green entrepreneurship	Gender, racial or ethnic minorities	Number of people from target group(s) taking part in the activity

How to join a Large-scale Skills Partnership (LSP) or Regional Skills Partnership (RSP)

- If you are interested in joining an LSP please select 'yes' when asked in your application
- * If there is a large-scale partnership in the ecosystem you operate in and you're not yet a member - would you be interested in joining? If yes, your data will be shared with the LSP coordinator and you may get an invitation to join.
 - Yes
 - No
- If you are interested in joining a specific LSP please visit the [Large-scale Skills Partnership website](#) for more information on the different partnerships.
- If you are interested in joining an RSP please visit the [Regional Skills Partnership website](#)
